 SIREM

SUMMARY

In this document, you'll find some photos of our customers' pools who have opted for a Swimeo turbine.

Swimeo model S

An outboard model, the **Swimeo S** is designed for use in existing pools, making it easy to its limits. This model is easy to install into the pool.

Page 3

Swimeo model X

An integrated model, the **Swimeo X** fits into a specific niche when the pool is built. It guarantees discreet, elegant integration.
